STANDARDS/RECOMMENDATIONS/DIRECTIVES

PFAS (per- and polyfluoroalkyl substances)

CONFIRMATION

We confirm that in our products

AF-Carbon®, AF-Color®, AF-Eco®, AF-Clean®

the above-mentioned substances are not intentionally added.

This assessment is based on information provided by our suppliers and the internal evaluation of our production processes.

We cannot exclude the presence of such substances as non-intentionally added substances (NIAS) or ubiquitous traces below a not regulated concentration range.

This document expires at the earlier of two years from date of issue or any regulatory change occurring. We kindly ask you to request a new declaration if necessary.

This document was created electronically and is valid without signature.

Kind regards

AF-COLOR

The information is based on our current knowledge and experience. In view of the many factors that may affect processing and application of our product, these data do not relieve processors from carrying out their own investigations and tests. The declaration is not to be construed as guaranteeing specific properties of the product or their suitability for a particular application. This declaration replaces all previous ones to this subject. The document is valid two years.
